VOL. XLIII. UPLAND, CALIFORNIA, TUESDAY, DECEMBER 28, 1937. NO. 70.

EARLY START ON SCHOOL SEEN AS BONDS TO BE SOLD

$175,000 Issue Offered to Bidders on Jan. 17—Plans Being Made

Early start in the actual construction of Upland's new elementary school building is seen today in the call for bids to sell the $175,000 bonds. The county board of supervisors will receive bids for the issue Jan. 17.

In the meantime, Upland school board members will rush the completion of building plans. For about two months little progress has been made in the plans due to the decision that had been pending relative to where the Upland ninth grade students would be served. Beginning in September, the ninth graders will go to Chaffey and the junior high school building will serve the sixth, seventh and eighth grades.

The school board members and the architect are now engaged in the making of plans to serve the five lower grades. Before any building activities can be started, however, the detailed plans must be approved by various state agencies.

Mac's Calendars Help in Keeping Household Records

Hundreds of households are all prepared today to keep their expenses, family data and other information.

For many years P. H. McQuillen, through his Mac the Medicine Man drug store, has been issuing a popular calendar. Many people look forward to receiving a new one each year. Many men and women have told him they need it to keep household records. And many have also told him how the old calendars, neatly filed away, serve as a reference, a record of expenses and "sort of a diary".

Many calendars are issued by local firms and many people like to get them. Mr. McQuillen's calendar is attractive. Its principal appeal, however, is in its service ability on both sides of each sheet. Each month is shown on a page. On the back of each page are forms especially for keeping of household and ranch records.

Veterans Named to Advisory Board in Handling Claims

Seven war veterans have been named on a commissitn to aid County Service Officer E. J. Lucke. The commission, appointed by the county board of supervisors yesterday, includes Earl E. Marsh of Upland and Carl Conrow of Ontario.

Other members are Donald H. McIntosh, Colton; George S. Biggin, Redlands; Paul H. Yelton, Victorville; Dan N. McLeod, Redlands, and Edward L. Fleming, San Bernardino. Until recently the county service officer, who handles all veterans' matters, was under the welfare department.

The new commission will serve as an advisory group to Mr. Lucke.

Wilsonian Club To Honor Memory of War-Time Leader

Annual meeting of th eWilsonian club in San Bernardino tonight will honor the memory of the United States war-time president. The principal speaker will be Sam Lindauer, retired naval lieutenant-commander. Godfrey Andreas, assemblyman, will also speak.

Nearly 300 persons are expected to attend the meeting, to be held in the California hotel.

Odd Fellows Will Meet This Evening In Stated Session

Euclid lodge No. 68, I. O. O. F., will meet this evening in the lodge hall in the I. O. O. F. building, with a contributed dish dinner being served at 6:30. Later a stated meeting will be held and there will be a short installation drill practice.

A cribbage contest will be held at the conclusion of the lodge meeting.

Draper Knows His Pennies

Uplander Collects Rare Coins During Short Period as Hobby Enjoyed

Fred E. Draper knows his pennies.

To most people, all round red coppers look about alike. But not to Mr. Draper. In less than a year he has accumulated quite a valuable collection of one cent pieces just in knowing what to look for.

"This one is worth about $25, while that one is worth $5," the insurance agent and Upland city councilman said yesterday, just after unfolding a coin holder. With his left index finger he pointed to coins. Difference in their value is due to their date, in what mint and in what quantity they were made.

Imprint Defective

"Look as those," he directed, and pointed to several one-centers in the coin folder. "You can see where the die made a defective imprint," the hobby-enthused city official continued. "There aren't many of them and they are valuable."

When a youngster gets an electric train for Christmas, the kid is really thrilled. Something of that same enthusiasm was shown by Mr. Draper when he said: "I got six uncirculated Indian head pennies for Christmas." A Los Angeles friend, knowing of the Uplander's hobby, gave the present.

In 1857 the United States quit making a large size penny and began coining the pennies the same size as are common today. Mr. Draper has a penny for each year since that date. Considered a full set of coins is a penny for each year since 1857. He has many of the larger pennies coined prior to that date.

Started in February

In the southland are many coin collectors but few of them have made such rapid progress as has Mr. Draper. In February he really started to pick up pennies. From various sources he learned about which coins to look for and how to keep them.

"I believe I am in the clear financially with that set," he said, indicating the folder containing the consecutive coins dating from 1856. "Some of them cost me quite a bit, but I have sold others to make up the amount I invested."

In his search for valuable pennies, Mr. Draper has gotten coins he doesn't actually need to make a complete unit in his collection. He will use them in trading or selling to acquire certain rare coins he wants.

It's Big Business.

It is quite a business—this coin collecting hobby. Concerns issue information about rare coins and a regular market book is issued fixing a sale price on the various pieces.

"I will use these in selling or trading for what I want," Mr. Draper continued. He thumbed through a stack of small coin envelopes. Each envelope was marked with the identification of the coin.

"I expect to keep on collecting pennies. I enjoy it. There probably isn't much profit in it, but now that I have this collection I will keep adding to it."

DRIVERS' LICENSE RULES TIGHTENED

Local Applicants Must Answer 24 Out of 25 Questions In Test

As the result of a stricter policy in the issuance of drivers' licenses, local applicants are required to answer correctly 24 of the 25 questions in a test, Chief of Police E. C. Mehl said today. Prior to this, applicants could miss three questions and be eligible to get their drivers' licenses.

"We have not received written instructions to this effect, but the state highway department is allowing only one error," Mr. Mehl explained. "We have been verbally notified of this by state officials. We are falling in line and are tightening up on the requirements for getting licenses."

Mr. Mehl explained that the questions are not of the "catch" type but involve practical traffic problems.

Very Brief Interviews

Wind Machine Is Used

A. J. DeMeyere, San Antonio Heights citrus grower, in telling of experimenting with the wind machine on his grove, said: "It raised the temperature of the air 5½ degrees 400 feet away. The machine can circulate the air for a distance of 600 feet. We turned on the equipment as an experiment the other night. It ran from 11 p. m. to 5 a. m. The normal temperature was 47 degrees. Where the machine was used the temperature was several degrees higher. And that was at a time when there was 'no ceiling'."

Tough Game

Howard L. Mitchell, Chaffey coach, who with about a dozen high school athletes, will see the Rose Bowl game Saturday, believes it will be a "tough game between California and Alabama." While predicting the Bears will win, the former Stanford athlete said the game will be close.

Meek Sees Victory

John Meek, who will play in the Rose Bowl Saturday, the first Uplander ever to be in the big west-east game, told friends here yesterday that California will win. He was here visiting his parents, Mr. and Mrs. H. C. Meek.

"What'll be the score be, about 20 to 0?" a friend asked him. Smiling in his usual big, broad manner, he replied, "Well, I don't know about that, but we are going to win."

HIT-RUN DRIVER GETS YEAR TERM

Driver of Machine Striking Ralph Craigmiles Is Sentenced

Carlo Castamagna, Etiwanda, has been sentenced to serve one year in the county jail for hit- and-run driving. He admitted driving the car that struck Highway Patrolman Ralph Craigmiles on Nov. 10. Craigmiles is in the San Antonio Community hospital recuperating with multiple fractures in the left leg.

Stanley Mussell, attorney for the Etiwanda vineyard worker, said that Castamagna stopped his car 300 yards from the scene of the accident "but was too paralyzed with fright" to return to the site until 25 minutes after the accident.

By that time Captain Frank Freeman had picked up his fellow officer and rushed him to the local hospital. The accident occurred Nov. 10.

5,000 New Telephone Directories Will Be Delivered Jan. 3, 4

New telephone directories will be distributed to approximately 5,000 homes and stores in this district early next month, E. R. Bradley, manager of the Associated Telephone Co. here, said today.

The actual deliveries will be on Jan. 3 and 4. The number of books to be delivered will be an increase of about 500 over the last distribution in June. While there has been a steady increase in recent years in the number of subscribers, the district's peak total has not been reached. In 1929 there were more telephone subscribers than at present, according to Mr. Bradley.

Alta Loma Street Light Project Will Get Special Study

Possibility of getting street lights placed in Alta Loma will be given special study by a committee including Gordon Billings, William Hutton and John McKee.

These three men were named today by President Arthur Allen of the Alta Loma Community club. Advisability of having lights was discussed at the club's meeting last night. At that time Mr. Allen was authorized to name a committee.

The three men will confer with the Southern California Edison Co., the county board of supervisors and others in connection with the proposed improvement.

YEAR BRINGS MANY IMPROVEMENTS AND OUTLOOK HERE GOOD

Santa Fe Station and Exchange Office Construction Major Events

Ahead for Upland in 1938 is the completion of many major projects, one of the best years for citrus growers and employes in the citrus industry, erection of a new school building, completion of Foothill boulevard widening and other improvements, according to those in touch with the community development.

Long remembered, however, will be 1937. The severe freeze of early this year will be referred to for years to come. While low temperatures stand as the year's black mark, various improvements and accomplishments have been recorded during the year.

New Station in 1937

Only one year in many years does any community get a new railway station. In this respect, 1937 will be a red letter year. Construction of the beautiful Santa Fe station is looked upon as the outstanding structural project during the last 12 months.

Erection of the new district office of the California Fruit Growers Exchange building directly across A street from the Santa Fe station is another improvement that will make 1937 outstanding.

These two structures have transformed the appearance of Second avenue and A street.

Construction of new residences and general improvement in other structures here have marked the building activity. The year's building permits, however, are less than for 1936.

Among the improvements assured for 1938 is the erection of a $175,000 elementary school building. Bonds for this building have been voted. Detailed construction plans are being prepared and actual work on the project may be under way within a few months. With the new school building completed, the 30-year-old Fannie D. Noe structure will be razed.

While the Chaffey campus is not actually in Upland, local residents and the community in general will benefit by the construction of the $400,000 Chaffey auditorium. Actual work on this building is scheduled to be started early in the spring or before.

Rapidly going ahead is the adding of a fourth lane to Foothill boulevard. This improvement, extending from Claremont to San Bernardino, will result in additional traffic going through here.

Citrus picking and packing will be soon started on a large scale. Volume of the crop will be larger than usual. While present prices are not especially encouraging to the growers, it is likely the market conditions will improve, according to those close to the situation.

The large volume of fruit will mean increased employment to many persons.

.70 Inch of Rain Added During Storm

This area's Christmas rain added .70 of an inch to the season's total.

Since July 1, 4.51 inches of rain have been recorded here as compared with 7.29 inches at this time a year ago.

MANY WILL ATTEND NEW YEAR'S DANCE

Reservations for Country Club Dinner Dance To Close Thursday Noon

Many early reservations for the annual New Year dinner dance at Red Hill Country club on New Year's eve already have assured a large attendance for that outstanding social event, and one of the most delightful New Year parties yet held is expected.

Reservations for the dinner must be made by noon Thursday it was announced today by Secretary Tommy Sheehan.

An excellent orchestra will provide music for the dancing, which will start at 9 o'clock.

This is one of the most popular of the Country club social events during the year and an unusually large attendance is expected.

MORE POLICE AID AT NIGHT SOUGHT FOR CITRUS AREA

Petitions Ask Sheriff To Add Patrol Car for Use in West End

An additional sheriff's patrol car for western San Bernardino county is being sought, petitions being at various stores, citrus associations and other places in the district.

While additional patrol service is badly needed throughout the year, the request for more protection is made now due to the possible influx of transients from adjoining states and to the large number of persons who come here for employment in the citrus industry.

The petition is directed at Sheriff Emmett L. Shay. It is pointed out that one patrol car is maintained at present. Two deputies in the car have all the territory in the county west of Etiwanda to cover at night.

Many persons have already signed copies of the petition. When more names are added, the documents will be sent to Sheriff Shay with the plea that it be acted upon promptly. An additional patrol car will mean either the transfer of one car from some other part of the county to the West End or the addition of a car and two patrolmen to the law-enforcement group.

Lee Bigley Suffers Fractured Elbow in Accident at Store

"This fellow they call Santa Claus is a queer old chap," thinks Lee K. Bigley when he looks ruefully at his bandaged arm. "One never can tell what he has in his sack."

Mr. Bigley, proprietor of Lee's Market on Arrow highway and Third avenue, sustained a fracture of his left elbow shortly before noon Thursday, while attempting to perform his good deed for the day, and he has not yet thanked Santa for that gift.

Hearing of a family that was in need of assistance, Mr. Bigley left his store to cross the street and notify Mrs. Lottie Fuller, welfare nurse. Slipping in mud at the curbing he fell, striking his elbow on the cement. Besides being fractured, the bone in his elbow also was chipped. However, the physician who reduced the fracture does not think the joint is injured. But Mr. Bigley says if anyone thinks there is anything funny about breaking his funny bone, he is somewhat mistaken.

Loss of Honey and Bees Is Reported

Loss of a large quantity of honey and a colony of bees was reported today by Stanley Brown, who has an apiary at the upper end of Hellman avenue, Alta Loma.

Persons said to be unknown to Mr. Brown tipped over several hives of bees and spilled honey over the ground. The matter is being investigated by Constable William Rupp and Deputy Sheriff Myers.

Lyle Wortham, pool hall operator at 216 Second avenue, reported to police that a woman's $15 compact had been stolen from his place.

EMPLOYES JOINING FARMERS' GROUP

Many Workers in Citrus Area Backing Associated Farmers

Many employes in the citrus district have joined the West End Associated Farmers as well as many citrus growers and other employers, President Earl E. Marsh said today. Employes and non-farmers are permitted to join as associate members.

Purpose of the organization is to promote a friendly feeling between employes and employers. The fact that employes as individuals and as groups have joined is giving much encouragement to the leaders in the movement. Directors of the recently formed group will meet soon and hear a membership report. Hundreds of employers have joined.

Robbers Get $200 As Gas Station Attendant Held Up

Baby Prize List Is Growing

First Youngster in 1938 Born at Hospital Will Get Many Presents

The first baby born in 1938 at the San Antonio Community hospital is going to get a visit from Santa Claus even though its arrival will be some time after Christmas.

Upland merchants are going to give the first youngster a royal welcome. The San Antonio Community hospital management will deduct $15 from the regular maternity bill, this being $5 more than the deduction of a year ago.

The Upland News is sponsoring the gift collection for the community's first youngster. Since the first announcement that gifts would greet the baby, various concerns have offered to add to the assortment of pretty and useful things. Some of the items are for the baby. Some are for its parents.

Among the gifts are those offered by the following:

Ten gallons of gasoline by C. W. Hall Arrow service.

One quart of milk a day for the first month by the Shady Grove dairy.

A tie for the father by the J. E. Engle men's store.

Baby blankets will be given by the J. J. Atwood Co.

Pete's Dry Cleaners will clean and press a dress for the mother and clean and block the father's hat.

Mac the Medicine Man will give the mother a present on her first visit to the drug store.

Clinton Mayberry has a $1 vegetable order waiting for the parents. He operates Clint's produce market in Anderson's grocery store.

Goodban's Brownbilt shoe store will give the baby its first pair of shoes.

Booth's 5-10-25 cent store will give the baby a Mickie Mouse cup, saucer and bowl.

Other announcements of gifts will be made in The Upland News as various local firms offer them.

MEN USE GUN IN FORCING VICTIM TO LIE ON FLOOR

Using a gun to enforce their orders, two unmasked bandits at 4 o'clock this morning robbed the Slape Service station, A street and Palm avenue, Ontario, of $200. Jesse Anderson, attendant, was ordered to lie face downward on the floor of the station. The men rifled the cash till and took all but 10 cents.

Parking their automobile a short distance away from the station, the two men walked leisurely toward the station. As they approached Mr. Anderson, one of them pulled a six-shooter from his pocket and curtly ordered:

"Do as you are told, lie down and don't move."

Anderson obeyed. The men worked rapidly in scooping the money from the cash till and combing the station for any hidden money. There is no safe in the station.

Either accidentally or intentionally a dime was dropped on the floor. The men saw it but left it there.

As the robbers left, Anderson jumped up and telephoned the police. No trace has been found of them.

William Slape, 241 South Second avenue, is proprietor of the station. He was called by Ontario police soon after a report had been received of the hold-up.

The men were described as being between 20 and 25 years of age, five feet 10 inches tall and weighing about 155 pounds. Both wore overcoats, one blue and one black. One man wore a blue handkerchief tied around the top of his head.

On leaving the station, the men rushed to their automobile and speeded away on A street.

CITRUS HARVEST GETTING STARTED

Six Cars of Navels Shipped By Exchange Houses During Week

With Navel orange shipments starting earlier than usual, extensive harvest of the new orange crop will be under way here within a few weeks. Six cars of Navels were sent last week by Exchange packing houses.

As more of the fruit is fully ripened and if the market conditions are more satisfactory picking will be started by most of the dozen citrus associations in the Upland district. December rains are expected to result in increased sizes for the oranges.

Since Nov. 1, start of the new citrus stason, total of 147½ carloads have been shipped. This includes 114¼ cars of lemons, 21 cars of Valencia tranges and 12 cars of Navels.

Stone Entertains Rotarians Showing Pictures in Color

Orton P. Brady, program chairman, provided an outstanding program for the club's meeting today noon at the Upland Inn. President Neil Hickcox presided.

Archie L. Moore, baritone singer who delights people of this community with his voice, rendered two delightful solos. Following these Ernest Tweed Stone, who has gained a wide reputation for the moving pictures he has taken in many places, presented a long reel showing a number of these—also they demonstrated he is no novice at handling the camera and getting first class views. The pictures were all in technicolor and among the interesting views shown were Boulder dam and vicinity, including a trip up the Colorado river; scenes in Death Valley, including a wonderful picture of a rattle snake in action; scenes from an airplane taken on the way to San Francisco and pictures of the bridges and other interesting views in that vicinity, showing also Alcatraz prison.

Hartzog's Friend And Watch Disappear

John H. Hartzog, local barber living at 642 East Eleventh street, thought he was doing a favor to a young man he befriended recently. He awoke today, however, to find that the man and a yellow gold watch were missing.

By chance he became acquainted with the man in recent years. The other day the friend returned to Upland and Mr. Hartzog asked him to stay at his house. Some time last night the man left and Mr. Hartzog expressed the belief to police the friend had stolen a watch.

CITY IS GIVEN $12,824 TAXES

Amount Paid by Uplanders Is Sent to Local Treasurer By County

When Uplanders paid their first half of their tax bill they gave the money to the county.

The city of Upland today, however, has its share of the payments. City Treasurer Owen E. Atwood reported that $12,824.39 has been received on the basis of the amount paid by property owners during November.

J. S. Bynum Held On Federal Charge

J. S. Bynum of Alta Loma was arrested yesterday for federal authorities and he was taken today to the Los Angeles city jail, according to a report from the Ontario police department. He was arrested by Constable William Rupp of Alta Loma.

Mr. Rupp could not be reached today for a detailed report of the case. Ontario authorities, however, said he was held as a fugitive from Oklahoma on a charge of operating an illegal still there.

Baby Is Yule Present Here

Santa Claus and Mr. Stork combined on Christmas day in giving a present to Mr. and Mrs. Richard Barr. A son was born at the San Antonio Community hospital to the Ontario couple on the day when Christmas presents were being opened.

It is their first child and the couple had a good reason to happily celebrate Christmas. Prior to her marriege, Mrs. Barr was Luella Vandenberg. She was employed for some time as an assistant in the business office at Chaffey junior college.

Other babies born at the hospital over the holiday week end include the following: a daughter to Mr. and Mrs. Charles Bucknell, 233 West I street, Ontario; a daughter to Mr. and Mrs. Paul D. Walker, Claremont, and a boy to Mr. and Mrs. Albert Cruz, Chino.

Brown Rot Appears And Treating Urged

Brown rot is attacking some citrus trees in this district and local agricultural inspectors today warned growers to treat this pest. Groves that have had brown rot and have not been treated recently should get immediate attention, inspectors said.

The rot has appeared in some groves since the start of the rainy season.

Family Reunion at Upland Home Held On Christmas Day

Among the several large family reunions held in Upland on Christmas day was that of the Allen and Reed families held at the home of Mr. and Mrs. David Allen, 153 Twelfth avenue, with Mr. and Mrs. Allen and Mrs. B. F. Reed being hosts.

A bountiful turkey dinner was served and the day was spent in happy visiting, with the children enjoying many games.

A total of 44 relatives were present, including Mr. and Mrs. C. E. Allen and family of Valley Center, Mr. and Mrs. Arthur Allen and family of Alta Loma, Mr. and Mrs. Whitt Harvey, Mr. and Mrs. H. E. Nicholson and family and Mr. and Mrs. Walter Nicholson and family, all of Ontario; Mr. and Mrs. Kenneth Allen and family of Alta Loma, Frank Williams of Cucamonga, Mr. and Mrs. William Floyd and family and Mr. and Mrs. Patrick O'Reilly and daughter of Etiwanda, William Benton of Venice, Mr. and Mrs. Elmer Allen and son, Mrs. Pearl Allen and family, C. P. Allen, Mr. and Mrs. David Allen and Mrs. B. F. Reed, all of Upland.

In the Reed family, members of four generations were present.

Guy Clark Seriously Ill With Pneumonia

Guy Clark, Upland, is in a critical condition at the San Antonio Community hospital. Suffering with pneumonia, Mr. Clark was taken to the hospital just prior to Christmas.

Since Saturday his condition has been critical and a report from the hospital today said he was not out of danger.

Auxiliary to Sons To Elect Officers

Annual election of officers will be held tonight by the Woman's Auxiliary to the Sons of Union Veterans, it is announced by Mrs. Leslie Strawn, president.

The meeting will be held in the Ontario American Legion hall and Mrs. Strawn especially requests all members to be present.

Proper Foundation Necessary to Success

One of the greatest—if not the greatest—essentials to success is the laying of the proper foundation when a person is young. We have seen numerous instances where young people preparing for a trade or profession were discouraged because some of their friends were earning more money by being employed as a common laborer. However, the young fellow who is laying the foundation for his future by learning a trade or profession should not be discouraged, as the time will undoubtedly come when he will be earning much more while his friend will still be getting the same pay. The following case which we have just read illustrates the point very emphatically:

When around the age of 21 this man was serving his apprenticeship in a law office at two dollars a week. At the same time his boy chum was earning $30 a week on another job that did not require special training.

One night the embryo attorney went home discouraged, tired and ready to quit the law ambitions on account of his slow progress. Entering his home he found his father sitting at the dining room table with his papers scattered around him as he worked. The father and son were pals and as he came in the former said to the boy: "Well, Pard, how are you?" The youth replied: "To tell you the truth I'm plain discouraged. I'm going to give up trying to be a lawyer."

"What for?" asked the father, in his blunt way. "I'm not getting anywhere," was the reply. "Tonight, Father, I couldn't even buy my girl a soda not to mention taking her to a show. Here I am getting two dollars a week while Jim gets thirty dollars every week. I'm getting sick of it."

The father, noted for his common sense and understanding of life, took off his glasses, thought a moment, then said to his boy: "Pard, I don't believe I'd give up now. It's true that Jim is getting $30 a week and you only two, but let me tell you, Son, in a few short years Jim will still be making $30 a week while you will be making $30 a day. Keep on going".

The discouraged boy climbed the stairs wearily to bed, thinking as he had never thought before. "My father has always told me the truth. He wouldn't fool me now, I know. Thirty dollars a day? Suppose he were right!"

He pulled off his clothes and tumbled into bed firmly resolved to carry on in his law career. Peace stole over him as he fell asleep. Today he is an outstanding lawyer honored in his profession and, best of all, his father lived to see the day when his prediction came true.

Young man, success is ahead of you if you pay the price of preparation.

"More For Your Money!"

Shocking news to many of us was the recent report of the U. S. Bureau of Home Economics that approximately one out of every four families in the United States subsists on a diet inadequate to maintain average good health!

What to do about it? The Brookings Institution, one of the country's most authoritative bodies of economic research, suggests an answer to this alarming state of underconsumption after making four exhaustive surveys into the knotty problem of America's capacity to produce and consume.

These surveys unearthed the startling fact that if every American family is to get enough goods and services to maintain what the Department of Agriculture calls a reasonable standard of living, our national "productive machine" would have to produce double what it did in 1929!

If all Americans are to have a well balanced, nutritive diet we must have, adds the Department of Agriculture, 108 per cent more butter, 53 per cent more milk, 43 per cent more eggs, 79 per cent more fresh vegetables than were produced in 1929! And to supply only part of these needs, we would need 40,000,000 extra acres above the 1933 plantings!

The only way to bridge this great gap between what we need to produce and the far smaller amount we actually do produce is to lower the cost of goods per item, according to the Brookings economists. Why? Because not enough people have enough money to spend for the things they want. There is no doubt that high prices reduce consumption of all kinds of commodities—whether they be farm products or manufactured goods. Instead of curtailing production it would seem the wise thing to sell at a somewhat less figure and thus greatly increase the consumption. Greater consumption means more people working and in the long run the net returns are as great for the producer as when goods are sold at higher prices and in much smaller quantities.

Then, too, the lower selling price enables American industry to compete with other nations to much better advantage. There is no doubt that one of the reasons for the worse conditions which have been existing for several months is high prices—prices that are so high most people cannot buy as much as they would like.

Tops Again!

Are we a nation on wheels?

A glance at the number of Americans—45 million of 'em!—who took to the land, sea, and air to get a new look at this vast country of ours the past summer, would indicate most affirmatively that we are!

It shows that vacation time to most of us means a time to be footloose, a time to take in a change in scenery whether it's a fragrant wooded canyon nestling high in the Seirras, a sandy beachland edging the Pacific, or even the heart of a metropolis.

West of the Mississippi, California last summer again proved to be the tourists' favorite state. East of the Mississippi, the city that captured most tourists' interest was New York but west of the Father of Waters, Los Angeles and San Francisco led all other cities in appeal.

But while vacationing home-towners were enriching the pocketbooks of auto camps, restaurants and hotels elsewhere out-of-towners were reciprocating. Each of the 45 million tourists spent an average of $100, sending the total of tourist expenditures one billion dollars over last year.

Now that Americans are getting acquainted with every nook and cranny of this nation that spans a continent, the refrain of "Home, Sweet Home," takes on a richer meaning. Soon it will no longer stand for Apartment 3, or the second house from the corner. It will mean—America!

The national treasury says that all the money in circulation in the United States is equal to $50.38 for each person in the country. However, we haven't noticed they have been putting out the information that the national debt figures out $285 for each and every one of us.

Now that Christmas is over do you feel better or worse? Watch your step—New Year's is just in the offing.

Notes of Society

Foote-Eyer Wedding Held in Church on Christmas Day

In a beautiful ceremony performed in the presence of a large number of friends who filled the auditorium of the Brethren in Christ church, Miss Hannah Eyer, daughter of Mr. and Mrs. Eugene L. Eyer of 579 Third avenue, became the bride of Allen Foote, son of O. M. Foote of Auburn, Ind., the wedding occurring at 4:30 in the afternoon of Christmas day.

An artistic arrangement of palms with baskets of poinsettias and Transvaal daisies provided the decorations for the occasion and the scene was illuminated by the soft glow from tall white candles.

For 15 minutes preceding the ceremony Miss Evelyn Gish played several piano selections, including Schubert's "Serenade", "Love's Old Sweet Song", "My Rosary", and "Because". Mrs. Ralph Byer sang "The Wedding Song", composed by Mrs. Erlys Gingerich of Upland for her own wedding several years ago.

The "Bridal Chorus" from Wagner's "Lohengrin" and Mendelssohn's "Wedding March" were played by Miss Gish as the processional and the recessional. Miss Gish wore a dress of aqua blue crepe and a corsage of camellias and Mrs. Byer was attired in a wine colored dress, her corsage also being camellias.

The bride, escorted by her father, who gave her in marriage, wore a wedding dress of eggshell silk crepe and she carried a white Bible with streamers of lilies-of-the-valley.

Mrs. Henry G. Brubaker, who attended the bride as matron of honor, wore camay sky blue crepe and carried salmon colored sweet peas.

As bridesmaid, Miss Catherine Eyer, sister of the bride, was attired in ashes of roses crepe and her flowers were yellow sweet peas.

The flower girls were two small cousins, Nancy Joan Engle, daughter of Mr. and Mrs. Paul Engle, and Phyllis Engle, daughter of Mr. and Mrs. Charles Engle. They were dressed in cunning pink frocks and carried baskets of rose petals.

Henry G. Brubaker, president of Beulah college, served the bridegroom as best man, and Cletus Naylor was head usher. Other ushers were Price Trautwein and Herbert Byer.

The marriage service was read by the Rev. Alvin C. Burkholder, pastor of the church.

Following the wedding a reception for 60 guests was held at the home of the bride's parents, Mrs. Eyer receiving the guests in a dress of plum colored crepe. She wore a corsage of camelias.

Transvaal daisies were used in the house decorations and refreshments were served to the guests, the wedding cake being a part of the menu.

Mr. and Mrs. Foote left at once for a few days motor trip and upon their return they will reside in their home on Washington boulevard at Eighth avenue.

The bride is a graduate of Beulah college and of the University of California at Los Angeles and is now a member of the faculty of Beulah college, teaching biological science.

Mr. Foote, who came to Upland from Indiana about 14 years ago, received his education in the east and has done special work at Beulah college. He recently has made his home with Mr. and Mrs. N. T. Franklin, 650 North Third avenue.

Miss Betty Townsend Honored Guest at Gift Shower

Annual meeting of the Wilson-pre-nuptial courtesies extended recently to Miss Betty Townsend, daughter of Mrs. Elizabeth Townsend of El Morado court, Ontario, was the miscellaneous shower given in her honor by Mrs. Cecil Eshelman at her home, 1140 North Euclid avenue.

Miss Townsend, formerly a resident of Upland, is the fiancee of Edward Falls, Jr., of Beverly Hills, and their marriage will occur in the Upland Methodist church at 8 o'clock Wednesday evening.

The Eshelman home was gay with Christmas decorations and the gifts for the bride-elect were heaped beneath a silver and blue Christmas tree. Green holly boughs laden with red berries were banked on the mantelpiece and a sparkling fire glowed in the large fireplace.

During the early part of the evening a bridge tourney was enjoyed, with Miss Townsend winning high score prize and the second award going to Miss Lucille Stipe.

Miss Townsend was presented with her gifts and upon opening the parcels she found many beautiful pieces of pottery, linen and pewter.

Refreshments were served at quartet tables arranged before the fireplace, Mrs. Eshelman being assisted by her sister, Mrs. Ancil H. Morris of Red Hill.

Guests invited to the party and shower, besides Miss Townsend, were Mrs. Elizabeth Townsend of Ontario, Mrs. Edward Falls, Sr., of Beverly Hills; Miss Rosalind Rawicz of San Bernardino, Miss Margaret Wilson and Lucille Stoebe of Alta Loma, Miss Lucille Stipe of Cucamonga, Miss Ruth Wilhelm and Miss Ethel Titsworth of San Dimas, Misses Helen and Margaret Brownless of Etiwanda, Miss Doris DeAy of Chino, Mrs. Russell Twomey of Pasadena, and from Upland and Ontario, Miss Dorothy Cameron, Mrs. Carl Rausin, Miss Margaret Garrett, Miss Mary Wilson, Miss Beth Homewood, Miss Irene Jurn and Miss Martha Stutzman, and Mrs. Ancil Morris of Red Hill.

Allen Family Reunion Is Happy Event on Christmas Day

A Christmas day reunion that will long be remembered by those attending, was the Allen family gathering held at the parental home of Mr. and Mrs. N. D. Allen of West Seventh street.

Nine sons and daughters of Mr. and Mrs. Allen, their wives and husbands, grandsons and granddaughters, many of whom are married, and four great grandchildren were in the happy throng that gathered from many places in Southern California.

The spacious Allen home easily accommodated the large group and a bountiful turkey dinner was expertly served, with all present being seated at once at four long tables. The dining room was opened into a large adjoining room to give ample space for the tables and so well planned was the preparation and serving of the meal for the large number, that the dinner hour passed without confusion and proved a happy and merry time for everyone.

During the afternoon Mrs. Edna Swan made three pictures, one of the entire group, one of the parents and their sons and daughters and the third of the parents and their four great grandchildren.

One of the special events of the day was the distribution of gifts from a beautifully decorated Christmas tree. The host, N. D. Allen, served as chief distributor, calling the names, while a number of the children carried the gifts, and each one of the group received a present.

The warm, sunny weather drew a number out of doors and a ball game was enjoyed. The small children played merry games and the elder members of the group enjoyed visiting.

Boxes of red apples, many bowls of home made candies and quantities of pop corn balls were available throughout the day.

A number of the relatives remained for supper in the evening and some 15 were guests in the Allen home over Sunday.

The sons and daughters of Mr. and George Allen of Los Angeles, Allen, Howard Allen, Norman Allen, Fred Allen, all of Upand, and George Alen of Los Angeles, and Mrs. Ella MacLean, Mrs. S. A. Carter, Mrs. Roy Sachs and Mrs. Nelson Maine, all of Upland.

Musical Fantasy Is Given by Pupils In Recital

Piano pupils of Vivian Hubble Harrison gave the second of their musical evenings last night at the home of their teacher, 442 East Ninth street. The program was a combination recital and Christmas party. The recital pieces were interwoven into a story called "Little Boys' Christmas," written and read by Mrs. Harrison. Whenever the pupil heard the title of his piece pronounced during the course of the story he went to the piano and played it with appropriate spirit, thus giving musical atmosphere to the tale of a poor little boy who could have no Christmas, but who had a wonderful dream, which showed him how Christmas was truly celebrated best by friendly cheer, folk songs and folk dances, as known in Virginia, Poland, France and Italy being used in the program. Then his fantastic dream took the little boy back through the centuries where he found all nature worshiping God, even to the night when Jesus was born. Then he understands the true meaning of Christmas and he awakens to a happy Christmas day.

After the musical story was finished, the children and guests played Christmas games. Then to the accompaniment of a piano duet with sleigh bells played by Carolyn and Douglas Green, a huge picture of Santa with a pack of delayed toys on his back was propelled into the room by Howard Asper, Jr., who completely hidden by the huge Santa. Later refreshments of ice cream and cake were served.

Those taking part in the program were Muriel Winger, Patricia Ann Flinn, Kathleen Flinn, Edmund Williams of Ontario; Owen Alderfer, Virginia Jenison, Alice Rose Wilson, Howard Asper Jr. of Upland, Carolyn Green and Douglas Green of Los Angeles. Pieces played included compositions of Beethoven Chopin, Chaminade, Schubert, Cadman and other modern composers.

D.A.R. Members Hear Child Pianist and Elect Delegates

Meeting at the home of Mrs. Archie L. Moore, 205 East Fourth street, Ontario, members of San Antonio chapter, Daughters of the American Revolution, elected delegates to the state and national conclaves and enjoyed a delightful musical program presented by three talented children Monday afternoon.

The chapter regent, Mrs. Carroll C. Hamilton, conducted the business session during which the delegates were elected.

The state conference will be held in Los Angeles on March 9-11 and Mrs. Harry I. deBerard, Mrs. Frank Allen and Mrs. Frederick Wikoff were selected to represent the chapter. The alternate delegates named are Mrs. Leonard B. Fowler, Mrs. Everett W. Henry, Mrs. Walter Gish, Mrs. W. J. Hutchinson, Mrs. Marie Jesson and Mrs. Alexander Grant.

Mrs. Walter Gist was elected delegate to the Continental Congress to be held in Washington, D. C., on April 18 to 22. Alternate delegates named are Mrs. Elma Ray Saul, resident member in Washington, D. C., and Mrs. Alexander R. Gemmel of Ontario.

In the program for the afternoon the members had the privilege of hearing a nine year old pianist play in a manner that marked her as a musical genius and a future celebrity. A youthful trio, members of the James Neill Northe Entertainers, were presented, they being Dorothy Lehman, 9 years old, pianist; her brothers, Alan, age six years, and Elden, age 12, both vocalists. The children gave piano solos and vocal solos, duets and trios, Dorothy being accompanist for all numbers, even the trios in which she herself sang.

The boys possess splendid voices and all vocal numbers were enjoyed, but it was Dorothy, the unspoiled child pianist, who held the amazed interest and admiration of the audience.

Playing with a sureness and power usually attained only by gifted adult pianists, Dorothy adds a marvelous grace and technique all her own and executes the most difficult compositions with an ease and familiarity possible only for a egnius.

Dorothy is the daughter of Mr. and Mrs. A. J. Lehman of Ontario, the family having come from Texas a year ago in order that the children might study music in Ontario and yet have the privileges of a normal, quiet family life. The nine year old girl is in the fifth grade at the Ontario Central school.

Dorothy not only is a pianist, but is also a talented composer. Writing her first composition at the age of seven years, she already has had two numbers published. In her program yesterday she played two of her own compositions, beautiful numbers with many difficult passages, vibrant with musical feeling—not at all what might be expected of one so young.

Although Dorothy has made public appearances, has played on radio programs and has won offers of contracts from Paul Whiteman and from Hollywood, she remains a normal little girl and it is her parents' plan to keep her shielded from the publicity of fame during her formative years.

At the conclusion of the musical program, the chapter members and their guests enjoyed a delightful tea hour. Mrs. Marie Jesson and Mrs. Harry I. deBerard presided at the tea table, which was gay with Christmas decorations.

The hostesses were, besides Mrs. Moore, Miss Elsie Hamilton, Miss Alice Allen, Miss Lois LeBaron Avery, Miss Frances Barr, Mrs. Chas. A. Mayo, Mrs. Ernest Merckling and Mrs. Glenn D. Smith.

Present for the meeting, besides the hostesses, were Mrs. Carroll C. Hamilton, Mrs. W. J. Hutchinson, Mrs. M. L. Gottfried, Mrs. Guy Underwood, Mrs. Walter Gist, Mrs. Frederick Wikoff, Mrs. Alexander R. Gemmel, Mrs. Everett W. Henry, Mrs. Harry I. deBerard, Mrs. H. N. Peach, Mrs. G. B. Harding, Mrs. S. C. Henderson, Mrs. Frank L. Allen, Mrs. J. F. Hamilton, Mrs. Alexander Grant, Mrs. Marie Jesson, Mrs. L. R. Nichols, Mrs. Don E. Palmer, Mrs. W. B. Harvey, Mrs. H. A. Spies, Mrs. J. L. Short, Mrs. L. E. Coon, Mrs. Leonard B. Fowler, and three guests, Mrs. O. J. Oliver of Pasadena, Mrs. G. E. Hamilton of Dos Moines, Iowa, and Mrs. Frank Story.

YOU SAID IT, BIG BOY!

Christmas Gathering Held Saturday at Teuscher Home

Mr. and Mrs. Jacob Teuscher of 452 North Campus avenue, had the pleasure of being hosts at the annual family gathering on Christmas day. All members of their family were present with one exception, Miss Helen Teuscher, daughter of Mr. and Mrs. William Teuscher, who is taking a course in designing and kindred subjects at Stephens college, Columbia, Mo.

An excellent turkey dinner was served and gifts were exchanged, Mr. and Mrs. Teuscher receiving many nice presents.

Attending the family gathering were Mr. and Mrs. Earl Murdock Daniels and Mr. and Mrs. Milton Johnson of Los Angeles, Mr. and Mrs. William Teuscher and son, William, Jr., and Miss Veda Theisen of Claremont; Mr. and Mrs. William B. Kronen, and Mr. and Mrs. Jacob Teuscher.

Star Chapter Enjoys Christmas Party Last Evening

Some 60 members of Upland chapter, Order of Eastern Star, and their guests, including Mrs. M. W. H. Williams, district deputy grand matron, and Mr. Williams, of Redlands, gathered last evening in the Upland Masonic lodge hall for their annual Christmas party.

The regular chapter meeting was conducted by Mrs. Don E. Hill, worthy matron, with the party following. There was an exchange of Christmas gifts, many bringing amusing results, and refreshments were served.

During the remainder of the evening the time was spent in playing amusing games that created much merriment.

Mrs. Roy Creighton was hostess for the evening and she was assisted by Mrs. Thos. H. Settle and Mrs. Arthur Relph.

Christmas Party Is Held in Hospital

Mrs. George Barlow of 280 East Eighth street, returned Sunday from Riverside, where she spent a particularly happy Christmas day because she found her daughter, Mrs. Paul W. Greenleaf, improving after a long illness.

Mrs. Greenleaf has been in the Riverside Community hospital for eight weeks, part of that time being seriously ill. It is now expected she will be able to go home by New Year's day.

Mrs. Barlow went to the Greenleaf home Friday and on Christmas morning she and the family gathered in Mrs. Greenleaf's room at the hospital and put up a beautifully decorated Christmas tree and held an exchange of gifts.

The home of Mr. and Mrs. J. F. Haddow on First avenue was the scene of a family gathering over the week end. A son, Herbert Haddow of Parlier came down Friday evening and Mr. and Mrs. T. E. Davis, son-in-law and daughter, and their four children of Santa Barbara arrived in the afternoon of Christmas day. On Sunday Mr. and Mrs. Jack Herron, son-in-law and daughter of Claremont, joined the group and a turkey dinner was enjoyed.

Cystex starts working in 3 hours and must prove entirely satisfactory in 1 week, and be exactly the medicine you need or money back is guaranteed. Telephone your druggist for Cystex (Siss-tex) today. The guarantee protects you. Copr. 1937 The Knox Co.

Watch Your Kidneys

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not get as Nature intended. Fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

LOCAL NEWS BRIEFS

Pottery at Rowe Hardware Co. adv. 14-tf

Mr. and Mrs. M. E. Hudson, Euclid avenue, had as dinner guests Sunday her brother-in-law and sister, Mr. and Mrs. R. K. Arnett of Fresno and her sister, Mrs. Edith Richardson of San Bernardino.

Mr. and Mrs. W. A. Getty of 577 Second avenue had as their Christmas holiday guests Mr. Getty's sister, Mrs. Ora D. Martin and her son-in-law and daughter, Mr. and Mrs. Harold Hopper, and Barton Tritch, all of Long Beach.

Miss Mabel Breneman, part time teacher at Chaffey, who makes her home at the J. R Eyster residence, left Tuesday for her home in Ashland, Kans., in response to a telegram telling of the serious illness of her father.

An examination for male nurse attendants at the Camarillo state hospital will be held in Ventura Jan. 8. Men between the ages of 21 and 45 are eligible. The salary is $85 a month. All persons interested are to call at the Ventura high school during the morning of Jan. 8.

Mr. and Mrs. S. D. Schertz, Third avenue, entertained at their home on Christmas Mr. and Mrs. John Rediger and Mr. and Mrs. Ben Kremer, Aurora, Nebr.; Mr. and Mrs. Joe Eigsti and daughter Verna, and Miss Grace Bachman, of Morton, Ill. The visitors are spending the winter in Upland.

Guardianship of Helen Lorenz of Upland was settled in superior court yesterday when Gilbert Lorenz, her father, was awarded care of the child. The mother is dead and the grandmother, Mrs. Helen Atencio, had petitioned for the girl's guardianship. Judge Allison ruled in favor of the father.

Thirty-one persons were present at the J. B. Leaman home for a Christmas dinner Saturday night. The guests were Mr. and Mrs. Enos Leaman and family, Upland; Mr. and Mrs. Leroy Leaman, Pomona; Mr. and Mrs. A. H. Goodwin and children, Pasadena; Mr. and Mrs. Frank Coppo, Mira Loma; Mr. and Mrs. Charles Foster, Riverside, and Mr. and Mrs. Duane Ammerman, Arlington.

Mr. and Mrs. Harry A. Cooley of 550 North Laurel avenue are enjoying a visit from Mrs. Cooley's brother-in-law and sister, Mr. and Mrs. Bertice Craemer and daughters, Lois and Fern, who arrived Friday by automobile from their home in Bijou Hills, S. Dak. For Christmas day dinner another brother-in-law and sister, Mr. and Mrs. Gus Pickett of Ontario, joined the family group, as did Mr. and Mrs. Leon Cooley, cousins from Los Angeles. Mr. and Mrs. Craemer will remain over New Year's and will see the Pasadena Tournament of Roses before departing for their home.

Miss Anna Harman and daughter, Miss Edna Harman, of Ninth avenue, and Miss Helen Gish were Christmas dinner guests of Mr. and Mrs. H. E. Cassel and Miss Alma Cassel, of 781 Third avenue.

Frank Scrogin, former Chaffey student, was here over the Christmas holiday visiting his parents, Mr. and Mrs. G. W. Scrogin, Euclid avenue. He is assistant sales manager for the Feather River Lumber Co. in Northern California.

Mrs. W. H. Rupp of 850 Amethyst avenue, Alta Loma, who has been ill for the past month, is improving and is now able to be up part of the time. Miss Marybelle Rupp, daughter of Mr. and Mrs. Rupp, who sustained a painfully bruised side in a fall several days ago, also is improving nicely.

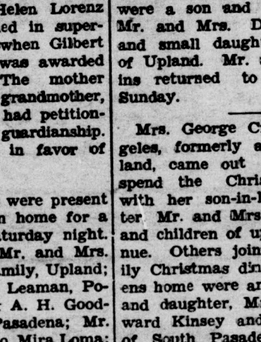

Vivian Hubble Harrison announces the start after the New Year of three new classes in piano instruction at her studio, 442 E. Ninth street. One is for children from 4½ to 6 years; another for ages 6 and 7, and an evening class in piano reportoire for advanced students. Classes are limited. Phone 314-444.—adv. 70-2

Mr. and Mrs. C. K. Francisco of 636 East Arrow highway enjoyed a visit from their son-in-law and daughter, Mr. and Mrs. B. A. Harkins of San Francisco, over the Christmas week end. A family dinner was given on Christmas day and others present were a son and daughter-in-law, Mr. and Mrs. DeVon Francisco and small daughter, Betty Fae, of Upland. Mr. and Mrs. Harkins returned to San Francisco Sunday.

Mrs. George Crill of Los Angeles, formerly a resident of Upland, came out last week to spend the Christmas holidays with her son-in-law and daughter Mr. and Mrs. L. M. Dickens and children of upper Euclid avenue. Others joining in the family Christmas dinner at the Dickens home were another son-in-law and daughter, Mr. and Mrs. Edward Kinsey and two daughters of South Pasadena, and a son and daughter-in-law, Mr. and Mrs. James Hiller and small daughter of Alta Loma. Mrs. Crill exjects to remain here a week.

Mr. and Mrs. Howard Breffle of Santa Ana came out on Christmas eve to visit Mr. Breffle's mother, Mrs. Stella Breffle, 544 Eighth avenue. Mrs. Breffle's mother, Mrs. A. C. Wilson of Ontario, joined the group and breakfast was enjoyed at the Breffle home on Christmas morning. Later in the day Mr. and Mrs. Breffle left for Pasadena to visit with her parents and Mrs. Stella Breffle and Mrs. Wilson motored to Pomona for Christmas dinner at the home of their relatives, Mr. and Mrs. Arthur Christensen.

Cucamonga Rancher Passes Suddenly at Lucas Ranch Monday

Wesley S. Smith of 826 East D street, Ontario, for 18 years an employe on the Lucas ranch in Cucamonga, died of a sudden heart attack at 8 o'clock Monday morning, when starting his day's work on the ranch.

Mr. Smith lived in Cucamonga for 15 years before going to Ontario three years ago. He was a native of Missouri and was 49 years old.

He leaves his wife and two daughters, Freda and Theda, and a son Arvel. Mrs. Smith formerly was Miss May Davis.

Mr. Smith was a member of the First Christian church of Ontario and the pastor, the Rev. Arthur F. Ritchey, will conduct the funeral service, which will be held at 3 o'clock Wednesday afternoon at Draper's Ontario chapel.

Ministers and Wives Guests at Luncheon

The Rev. J. R. Eyster, pastor of the Brethren in Christ church in Chino, and Mrs. Eyster, entertained at luncheon recently at their home, 637 North Third avenue, for the members of the Chino Ministerial Union and their wives. Christmas decorations were used on the luncheon table and a pleasant hour was enjoyed before the business session was called. Plans were made for observing the world-wide Week of Prayer and it was decided to hold union services, alternating in the different churches.

Present for the meeting were the Rev. and Mrs. Lawrence Warren of the Methodist church, the Rev. and Mrs. Ira Fox, Baptist; the Rev. and Mrs. Alfred Randall, Free Methodist; the Rev. Ray Chamberlain, Holiness, who came in for the business session, and the Rev. and Mrs. J. R. Eyster.

Mixed Chorus From Beulah College Is Heard in Concert

The Beulah college mixed chorus presented a concert of eight selections of Christmas music before a large audience in the Brethren in Christ church on a recent evening. Two anthems, "There Were Shepherds" and "The Wondrous Story," were of outstanding excellence.

The college women's and the men's quartets each sang two selections and Millard Herr gave a Christmas reading in prose entitled "The Angels' Song".

Arizona State and Ontario Quintets To Play Thursday

Arizona State Teachers college quintet will meet the Ontario "Y" basketball team in the Chaffey gymnasium Thursday night.

One of the rare defeats of the Ontario star five came from Arizona when the quintet invaded the neighboring state. The Ontario players are scheduling an outstanding list of games for the Chaffey gym.

Thomas W. Williams, 71, 217 East Belmont street, Ontario, is seriously ill at the San Antonio Community hospital.

Gilbert White of St. Paul, Minn., is spending his Christmas vacation here with his parents, Dr. and Mrs. F. J. White of Drake avenue. Mr. White arrived last Thursday and will remain until after New Year's day.

J. L. Messenger was host over the Christmas holidays to his cousins, Mr. and Mrs. C. E. Carrell of Santa Monica, who came out Saturday morning and returned home Sunday evening. On Christmas day a motor trip was made to Cajelco dam near Riverside.

James Beeson, 9, who resides with his mother in the Charlemagne apartments, Ontario, narrowly escaped serious injury late yesterday afternoon when he was knocked from his bicycle by a motorist. He was treated at the San Antonio Community hospital. His injuries consisted mostly of severe shock.

Mr. and Mrs. Fred Spinner of Sixth avenue are the parents of a fine son, born on Dec. 23 at Saint Bernardine hospital in San Bernardino. The baby weighed 6½ pounds and has been named Nelson Frederick. Mrs. Spinner and her son are expected home on Sunday. Mr. Skinner is telegraph operator at the Upland Santa Fe station.

Mr. and Mrs. Harry W. Flowers returned Monday from a several days motor trip through the desert areas, having left Upland Thursday. They visited Tucson and Phoenix, Ariz., and stopped for a tour of the Parker dam project, which they found very interesting. Light rains fell while they were traveling in Arizona and were enthusiastically welcomed by the residents there, being the first rain in eight months.

FUNERAL IS HELD FOR MISS KITCHEL

Miss Jennie Kitchel Registrar At Chaffey, Succumbs To Pneumonia

Funeral service was held at 2 o'clock this afternoon for Miss Jennie Louise Kitchell, registrar for Chaffey junior college, whose death occurred on Christmas night at San Antonio Community hospital, following a brief illness of pneumonia.

Miss Kitchel, a sister of W. F. Kitchel of Upland, was well known throughout the Chaffey district. She was a prominent member of the Ontario Business and Professional Women's club and of the Ontario First Methodist church. She was born in Fort Collins, Colo., had lived in California 22 years and for 16 years had been in the Chaffey business office. She resided at 318 El Morado court, Ontario. Miss Kitchel is survived by two brothers, W. F. Kitchel of Upland and Ollie Kitchel of Sheridan, Wyo.

The funeral service was held in the Ontario First Methodist church, with the pastor, the Rev. Arthur E. Schultz, officiating. Interment took place in Bellevue cemetery.

Arrangements were in charge of J. B. Draper & Co.

Phil Schmidt Dies Of Sudden Attack At Home in Oregon

Phil Schmidt, whose wife formerly was Miss Bertha Lohrey of Upland, succumbed to a sudden heart attack on Dec. 20, his death occurring at Jacksonville, Ore., where they resided.

Upon receipt of the news Mrs. Schmidt's sisters, Mrs. Clara R. Jacobs of Upland and Mrs. Everett Morosic of Ontario, and Mr. Schmidt's brother, Ben Schmidt of Ontario, left immediately for Jacksonville.

Funeral service for Mr. Schmidt was held Thursday, Dec. 23, in Medford, Ore. The relatives, accompanied by Mrs. Schmidt, returned home Sunday and Mrs. Schmidt will remain here for a number of weeks.

Three Trucks, 11 Passenger Cars Are Purchased in Week

Purchase of three trucks and 11 passenger cars by residents in this district during a recent week is reported today. Two school busses for Chaffey high school and a concrete mixer for the Commercial Rock Co. are included in the list.

Passenger cars were purchased by the following:

Upland—Alan A. Couch, Chevrolet; Ruth Anderson, 635 First avenue, Dodge, and Dr. John B. Craig, 404 Second avenue, Chevrolet.

Ontario—Alan A. Couch, Chevrolet; Arthur D. Skillman, Hudson; A. T. White, Studebaker; Charles L. Petre, Hudson; Rosamond Norman Plymouth, and Edward W. Svenson, Willys.

Raymond Smith Rites Will Be Wednesday

Funeral services will be held at 1:30 o'clock tomorrow afternoon for Raymond Smith, 18, Ontario, who was killed Sunday while working at the Pomona college heating plant, Claremont.

He was killed by an electric shock while attempting to replace an electric light globe. It is reported the current was light but the shock induced a heart attack. A Chaffey junior college student, he was the son of Mr. and Mrs. Fred A. Smith, 604 West Nevada street.

Services will be held in the Ontario Christian church, with the Stone funeral home in charge.

Methodists Plan To Honor Bishop Oxnam With Banquet Jan. 3

A number of members of the Upland Methodist church are expected to attend a banquet at the First Methodist church in Pasadena on Monday, Jan. 3, when hundreds of Southern California Methodists will gather to pay honor to Bishop G. Bromley Oxnam.

The occasion is the annual meeting of the Federation of Methodist Agencies, with Bishop and Mrs. James Chamberlain Baker and Bishop and Mrs. G. Bromley Oxnam as the honored guests.

Tickets may be secured from the First Methodist church of Pasadena, but, due to the large attendance anticipated, no tickets will be available at the door.

LIBRARY RECEIVES CHRISTMAS GIFTS

Magazine and Newspaper Come To Library as Presents From Local Donors

Two very nice Christmas presents were received by the library—one the renewal of "The Hygeia," a health magazine and one used by students and readers frequently; the other a subscription to "The United States News" for 1938. Having the news right straight from the capital means much to those who like to have things first hand. The magazine was the gift of Dr. A. L. Weber and the newspaper came from Mrs. Bess K. Grisham.

"The Hoover Policies," the joint work of Ray Lyman Wilbur, president of Stanford university, and Arthur Mastick Hyde, former governor of Minnesota, was a gift from Dr. Wilbur to the library.

While this book is not written as a history of the times, yet the graphic statement of the principles of the Hoover administration and the explanation of the cause, the course, and the measures taken to meet the depression, are of first importance.

Another book, just purchased, covers a subject very much in everyone's mind at the present time, "The Powers of the President," by W. E. Binkley, professor of political science, Ohio Northern university. This book offers a bird's-eye view of the spectacular and futile struggles between Congress and the chief executive that have confused our government since Hamilton failed in his attempt to establish a parliamentary tradition.

Oratorio Society Sings Messiah in Church in Chino

An especially successful rendition of the oratorio, Handel's "Messiah," was given at the 4 o'clock vesper hour Sunday at the Chino Methodist church by the Upland Oratorio society.

The singers, a group of some 60 vocalists of the West End who earlier in the month sang the oratorio in both Upland and Ontario, were given an enthusiastic reception by the Chino audience.

Soloists for this third performance were Raymond Nicaley, bass; Francis Wilson, tenor; Miss Elizabeth Wright, alto, and Miss Eunice Stoebe, soprano. Each of the soloists sang their parts exceptionally well.

At the conclusion of the program the Chino group entertained the singers by serving tea and sandwiches.

The Oratorio society's next presentation will be "Creation," and practice will start early in February. Anyone wanting to sing in that production should see the Rev. Lester Hostetler, director; Raymond Niesley, president, or James E. Goodban, membership chairman, of the society.

Four Auto Crashes Mar Week End Here

Two automobile accidents on the San Antonio canyon highway, one on Foothill boulevard and one on Highland avenue in Alta Loma marred the holiday week end in this district. None of the persons involved in the crashes are seriously injured. They were given emergency treatment at the San Antonio Community hospital but were removed later to either their homes or to other hospitals.

Donald A. Cameron, Rialto, was injured Christmas eve in San Antonio canyon. Charles Middleton, Eagle Rock, was injured in another crash in the canyon. Three others in a car with Middleton escaped with minor bruises.

Wet pavement was held responsible for the Highland avenue accident Sunday afternoon. Mrs Grace B. Quigley, Beverly Hills, and Terrell Clark, Los Angeles, were slightly injured.

Two cars collided at Mountain avenue and Foothill boulevard on Monday afternoon. No one was injured. Thomas Brindle, Los Angeles, and Herbert Mifflin, San Bernardino, were drivers of the cars, which landed in a citrus grove.

Program Given for Thalonian Society

The academy junior class of Beulah college presented an outstanding program at the recent regular meeting of the Thalonian Literary society.

A play, representing three contrasting Christmas eve scenes in homes of different types, and a pantomime by Clyde Zook entitled "The Bachelor's Button," were two numbers received with great appreciation by the unusually large audience.

The next program to be given for the society will be presented Friday evening, Jan. 7, by the academy sophomore class.

Cucamonga-Alta Loma

Parsonage Scene of Wedding

Miss Evelyn Kilpatrick, daughter of Mr. and Mrs. W. W. Kilpatrick of South Campus avenue, Ontario, and O. Z. Moser, also of South Campus, were united in marriage at 1:30 Monday afternoon at the parsonage of the Cucamonga Community church. The ceremony was performed by the pastor, the Rev. Wm. A. Tieck, and accompanying the couple were the bride's sister, Mrs. C. W. Rehm, and Mrs. A. W. Gunn, Jr., both of Ontario.

Watch Night Service Planned

The Epworth League of the Cucamonga Community church has been invited to participate in a watch night service to be held on New Year's eve by the young people of the Ontario First Methodist church, and about 15 of the members are planning to attend. A diversified program is being arranged for the evening and the poung people are looking forward to an interesting occasion.

Mr. and Mrs. Francis S. Wagner of 1223 Amethyst avenue, Alta Loma, and Mrs. Wagner's mother, Mrs. Agnes B. Hawkey, also of Alta Loma, were Christmas day guests of Mrs. Wagner's brother-in-law and sister, Mr. and Mrs. Erwin Bishop-Smith of San Gabriel. The party returned Sunday and that evening Mr. and Mrs. Wagner had as their guests at supper Mrs. Hawkey and Mr. and Mrs. Harold Hively.

The Rev. Wm. A. Tieck, pastor of the Cucamonga Community church, was entertained in several homes over the Christmas holidays. On Christmas eve he was a dinner guest of Mr. and Mrs. Leslie Foster, on Christmas day his hosts were Dr. and Mrs. C. P. Shaffer and on Sunday he was a guest of Mr. and Mrs. Charles Beckley.

Mr. and Mrs. Leslie Foster of Alta Loma are among the comparatively few persons in the West End who were so fortunate as to secure tickets to the Rose Bowl game New Year's day. They are looking forward to that event with much pleasure.

A meeting of the Epworth League council of the Cucamonga Community church will be held Thursday night at the home of Philip Capen on North Hermosa avenue, Alta Loma. Miss Kathleen Beckley is president of the organization.

Etiwanda

ETIWANDA, Dec. 28. — The annual community Christmas entertainment, which has been held in Cypress hall on previous occasions, took place Friday evening in the Etiwanda Community church, and was a very lovely entertainment. The church was well filled and a splendid program was given by the children of the community under the direction of Mrs. Thomas Donnelly and Mrs. John Scott. Santa Claus arrived on scheduled time to pass out the usual treats and the evening was considered a very successful one.

Mr. and Mrs. J. C. Jones of Coachella valley were guests of Mrs. R. S. Jones and family Friday night.

Judge and Mrs. Thomas Donnelly and family and Mrs. Lue B. Dooley were Christmas dinner guests of Dr. and Mrs. Frank Dooley and family in Pomona.

W. E. Layton and daughter Ethel had as dinner guests on Christmas day Mr. and Mrs. LeMoyne Henderson and children, Stanley and Bonnie Jean.

Mrs. H. A. Allen and John Spillman were guests of the former's niece, Mrs. Lytle Williamson, and family, of Cucamonga, on Christmas day.

Miss Kathelene Price and Betty Jean Tilton came out from Los Angeles Christmas morning to spend the holiday at the O. H. Price home. Betty Jean accompanied Mr. and Mrs. A. A. Werner and daughter Eleanor to Upland Sunday, where they were guests at a family dinner given by Mr. and Mrs. J. C. Thompson and daughter Dorothy.

Dana M. Ross was a Christmas guest of friends in Big Rock canyon.

Mr. and Mrs. Aaron Coffeen and daughter Mary and Mr. and Mrs. Paul Mott of San Diego were week end guests over the Christmas holiday of Mr. and Mrs. Morgan Carter. Sunday guests were Mr. and Mrs. Walter Ryan and children, Sam and Phyllis, and Mr. and Mrs. H. Scranton of Riverside.

Holiday guests of Rev. Harold V. Hartshorn and family included Mr. Hartshorn's brother and family, Mr. and Mrs. W. W. Hartshorn and daughter Ella of Brawley. Sunday dinner guests included Mrs. Horton and daughter, Georgia Rae; Mr. and Mrs. W. W. Roblee, Jr., of Oxnard; Mr. and Mrs. Samuel Hortshorn of El Monte, and J. H. Woolven of San Bernardino.

Mr. and Mrs. Fred Burger dined with Mrs. Annie Baldwin of Pomona.

Mr. and Mrs. Walter Barnes and daughters, Frances and Kathleen, were Christmas guests of Mr. and Mrs. C. H. Jones and family in San Bernardino.

Mr. and Mrs. John Frost and son Jack, Mr. and Mrs. George Frost had Christmas dinner with Mr. and Mrs. Lyman P. Robertson in San Marino.

Mr. and Mrs. E. T. Myers and son Arthur had as Christmas dinner guests Mr. and Mrs. Lloyd Myers of San Bernardino.

Mr. and Mrs. H. H. Dickins enjoyed Christmas with their daughter, Mrs. W. O. Frost and family of San Pedro.

IDLE INSURANCE TO BE PAID IN '38

Registered Workers, Who Are Out of Work Five Weeks, Will Get Benefits

Payment of unemployment insurance will begin throughout California after Jan. 1, John J. Cassidy, manager of the San Bernardino branch of the social security office, said yesterday.

Payments are to be made to unemployed workers from a payroll tax collected from employes and employers in the state by the California unemployment reserves commission. The program is jointly administered by the state and Federal governments.

50,000 Checks

The number of weekly checks to be issued by the commission will be as high as 50,000 for several weeks, said James L. Matthews, chairman.

The unemployment reserves commission was set up under the Social Security act. All of the money paid into the fund by employers and employes is kept intact for compensation payments. All other expenses are defrayed by the Federal government.

The following procedure will be used in paying the compensation:

Following registration of an unemployed worker at an office of the California state employment service, one of which is located at 352 Court street in San Bernardino, the worker must not have obtained employment within the next four weeks. The fifth week will be the first compensable week. The law requires certification by the unemployed worker to the effect that he has not earned money during the fifth week.

Benefits Outlined

Should a worker not receive employment during the fifth week, he is entitled to one week's compensation. If, however, the employe secures a position during the sixth week he will still receive his check for benefits for the fifth week.

Unemployed workers may receive checks for 16 weeks of unemployment during a year. Only those workers who have paid the payroll tax into the fund are eligible to receive the insurance payments.

Unemployed workers will receive 50 per cent of their weekly wage, or a maximum of $15 and a minimum of $7. Payments into the fund are required where four or more workers are employed in one establishment.

Taxes Increased

Last year, the workers were required to pay 1 per cent of their salaries into the unemployment fund. This year, 2 per cent is required and next year and thereafter, 3 per cent will be paid. The amounts are matched equally by the employer.

Payments of the fund are not made to farm workers, domestic workers, city, county, state or Federal government employes. No tax is levied against them.

Christmas Tree for Dormitory Students

Dormitory students at Beulah college gathered about a Christmas tree in the reception room of Nancy Byer hall for a "family" celebration.

Gifts from far-away parents, from friends and schoolmates had been preserved, unopened, for the event and the distribution of the gifts among 22 eager young folk was the occasion for much pleasurable excitement.

Miss Helen Gish, dean of women, was hostess for the evening and Raymond Niesley, dean of men, and Mrs. Niesley, served as Mr. and Mrs. Santa Claus, and popcorn, candy and apples were distributed to all present.

READY TO BRING YOU RELIEF IN MINUTES

THE REASON
BAYER ASPIRIN WORKS SO FAST

Drop a Bayer Aspirin tablet into a tumbler of water.

By the time it hits the bottom of the glass it is disintegrating.

This speed of disintegration enables genuine BAYER Aspirin tablets to start "taking hold" of headache and similar pain a few minutes after taking.

YOU can pay as high as you want for remedies claimed to relieve the pain of Headache, Rheumatism, Neuritis, Sciatica, etc. But the medicine so many doctors generally approve — the one used by thousands of families daily — is Bayer Aspirin — 15¢ a dozen tablets — about 1¢ apiece.

Simply take 2 Bayer Aspirin tablets with a half glass of water. Repeat, if necessary, according to directions.

Usually this will ease such pain in a remarkably short time.

For quick relief from such pain which exhausts you and keeps you awake at night — ask for genuine Bayer Aspirin.

15¢ FOR 12 TABLETS

Virtually 1 cent a tablet

IN EVERY WAY
IT IS ADVANTAGEOUS TO
TRY UPLAND FIRST!

Upland merchants are nearest to you. They have your interests closer at heart. They are always anxious to correct any error, to give full satisfaction and to be of service in the community.

As residents, you are vitally interested in the progress of your community. By giving Upland merchants the first opportunity to serve you, you will be doing your part in making a better Upland.
